

Král moří is a hardcore survival game set in a world consisting of various randomly generated islands in a vast ocean. Survive as long as you can! Collect various goods (yummy oranges and juicy coconuts)! Harness the power of wind! Join spectacular naval battles and become the king of the sea!

Controls

- **Mouse:** You use the scroll wheel to zoom in or out and you can harvest fruits by clicking on orange or coconut trees.
- **Keyboard:** Space – firing
A – anchor
Left and right arrow – rotation
Escape – pause
